

Finding out with Fender Fender's Song

Sing along with Fender . . .

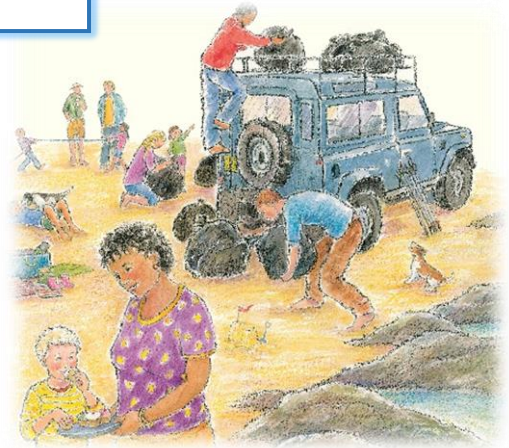

This song can be found on the
Fender animation on the Landy and
Friends Youtube Channel.

Chorus:

Fender and Dan drive on their way
On this lovely sunny day
They are busy, helping out
If you see them, give a shout!

Little Scamp runs to the beach
There are lots of friends to meet
They pile rubbish in each sack
Dan puts them up on Fender's rack.

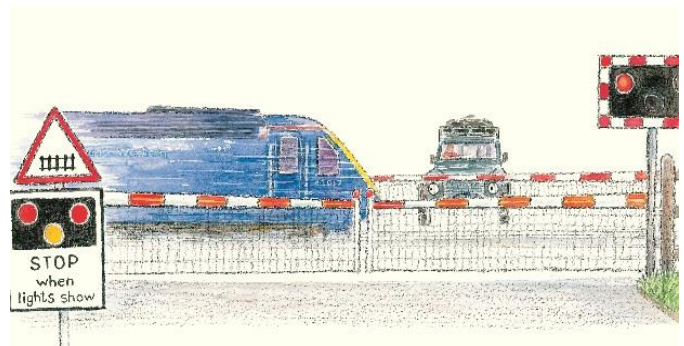

Chorus

Fender's worried, he won't start
Scamp runs 'round and gives a bark
Baby seal is feeling bad
Dan now finds her looking sad.

Chorus

Signs and roadworks slow them down
A train goes past and Fender frowns
Then, at last, the seal is free
Soon she'll be swimming in the sea.

Chorus

At the yard trucks move the skips
Dan parks up and chats a bit
Off they go and dump the sacks
Then they see Landy and Jack!

Chorus

Back home now and through the gate
The sun is low, it's getting late
Seagulls squawk and fly away
Fender has had a happy day
