Making Music with Landy

Find or make instruments that would suit the sounds needed for this short story.

You could also sing the sounds.

It was a rainy day (everyone quietly tapping fingers on the desks) and Landy felt very sad all alone in the field. (Quietly sing “Boo-hoo, boo-hoo.”)

James and Pickup drove passed. (Whooooosh engine sound.)
“Don’t cry Landy,” said the ducks. (Quack-quack-quack!)
“Don’t be sad, Landy,” said the sheep. (Maa, Maa, Maa.)

Then Jack found Landy!
(Whistling, happy sounds.)

James drove Tractor to fetch Landy. (Big, noisy sound.)

Jack opened Landy’s bonnet (click) and got out his tools to fix him. (Clunk, clonk, clunk, bang, bang!)

At last Landy was just like new again! Jack and Molly were very pleased and the birds sang loudly in the trees! (Revving engine sound. Woof, woof, woof, birds singing and other happy sounds.)

Landy's Song

Sing along with Landy...

Look there's Landy coming down the road
Look there's Landy with his happy load
Jack and Molly, lambs in the back
Maa! Maa! There they go, up the bumpy track.

The ducks see Landy looking sad
"Don't cry Landy, life's not bad!"

Look there's Landy coming down the road
Look there's Landy with his happy load
Jack and Molly, a calf in the back
Moo! Moo! There they go, up the bumpy track

James and Tractor came one day
They drove Landy, on his way.

Look there's Landy coming down the road
Look there's Landy with his happy load
Jack and Molly, piggies in the back
Oink! Oink! There they go, up the bumpy track.

Jack and Landy are best friends
On each other, they depend.

Look there's Landy driving down the road
Look there's Landy with his happy load
Jack and Molly, it's noisy in the back!
Maa! Maa! Moo! Moo! Oink! Oink! Up the bumpy track.

Now it is time to go to sleep
Landy is saying Beep! Beep! Beep! Beep! Beep! Beep! Beep!
