

# Learning with Landy

## Tractor

### Meet Tractor on the Farm

Tractor helps James do all the hard work on the farm. James has lots of different tools and trailers that he can attach to Tractor. This enables him to use Tractor for many types of work.

We can find out about some of these jobs on the farm:

- Ploughing
- Planting seeds
- Cutting hay/harvesting crops
- Baling hay
- Muck spreading
- Cutting hedges
- Digging trenches
