

Landy's Animal Friends

Cross the boxes in the columns that apply to the animals:

| Name | Eats grass | Eats worms | Lays eggs | Has wings | Four legs | Claws | Fur Wool Hair | Feathers | Beak |
|-----------|---------------|---------------|--------------|--------------|--------------|-------|---------------------|----------|------|
| Ducks | | | | | | | | | |
| Foxes | | | | | | | | | |
| Hens | | | | | | | | | |
| Cows | | | | | | | | | |
| Pigs | | | | | | | | | |
| Donkeys | | | | | | | | | |
| Sheep | | | | | | | | | |
| Badgers | | | | | | | | | |
| Pheasants | | | | | | | | | |

Sort the animals above into these two pens:

Mammals

Birds

Getting to Know the Animals...

1) How many of the animals have four legs and eat worms?

☐

2) Which two animals have wings and eat grass?

3) Which four-legged animal has hair covering its body?

4) Name one animal with fur which doesn't eat worms?

5) How many animals eat grass and worms?

☐

6) Name the animal with claws beginning with p:

7) How many animals have fur or hair?

☐

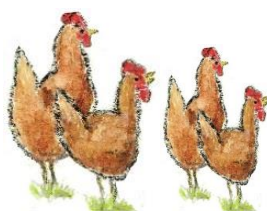

8) How many animals lay eggs?

☐

9) How many animals have claws and beaks?

☐

10) How many animals have feathers and four legs?

☐

Learning with Landy

Science

Match the babies to their parents:

Pig

foal

duckling

Badger

Cow

calf

Sheep

Donkey

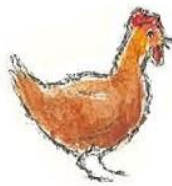

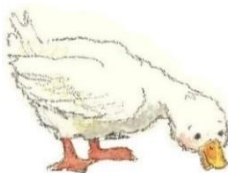

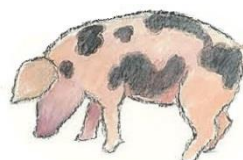

piglet

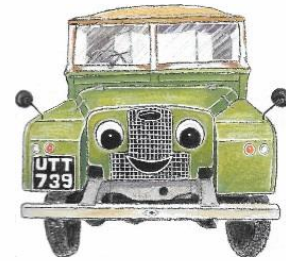

cub

lamb

Duck

Put a cross under the odd one out:

| Name | Eats grass | Eats worms | Lays eggs | Has wings | Four legs | Claws | Fur Wool Hair | Feathers | Beak |
|-----------|------------|------------|-----------|-----------|-----------|-------|---------------------|----------|------|
| Ducks | × | × | × | × | | × | | × | × |
| Foxes | | × | | | × | | × | | |
| Hens | × | × | × | × | | × | | × | × |
| Cows | × | | | | × | | × | | |
| Pigs | × | × | | | × | | × | | |
| Donkeys | × | | | | × | | × | | |
| Badgers | | × | | | × | × | × | | |
| Sheep | × | | | | × | | × | | |
| Pheasants | | × | × | × | | × | | × | × |

Matching Pairs:

| | |
|---------------|-----------------|
| Pig - piglets | Badger - cub |
| Cow - calf | Sheep - lamb |
| Donkey - foal | Duck - duckling |

Odd One Out:

Row 1 - hen
Row 2 - badger
Row 3 - donkey
