

Create your own little farm

Find a piece of paper and draw or paint a smallholding with a house and animals.

Or you could make a collage and find pictures of animals, trees and a house to stick on.

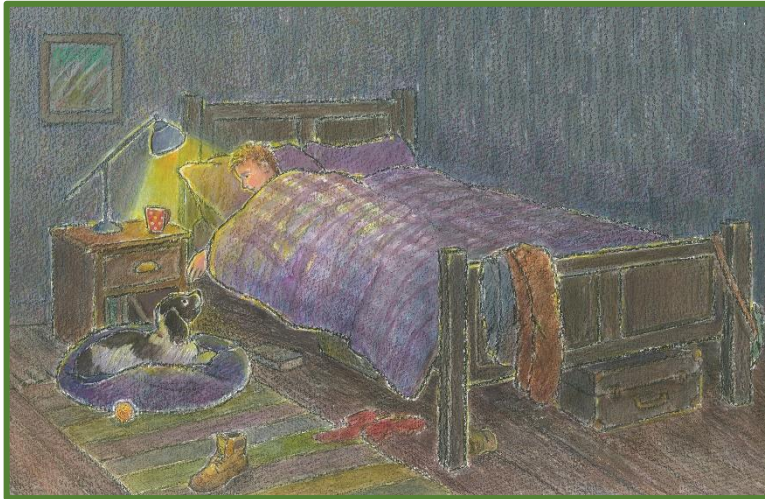

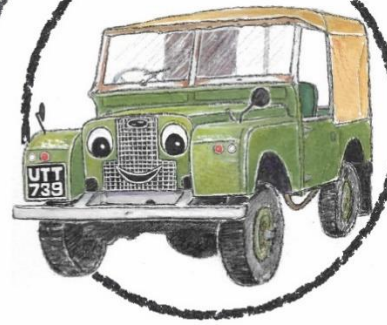

Try making a cardboard animal shelter out of a cereal box or a packing box.

Art

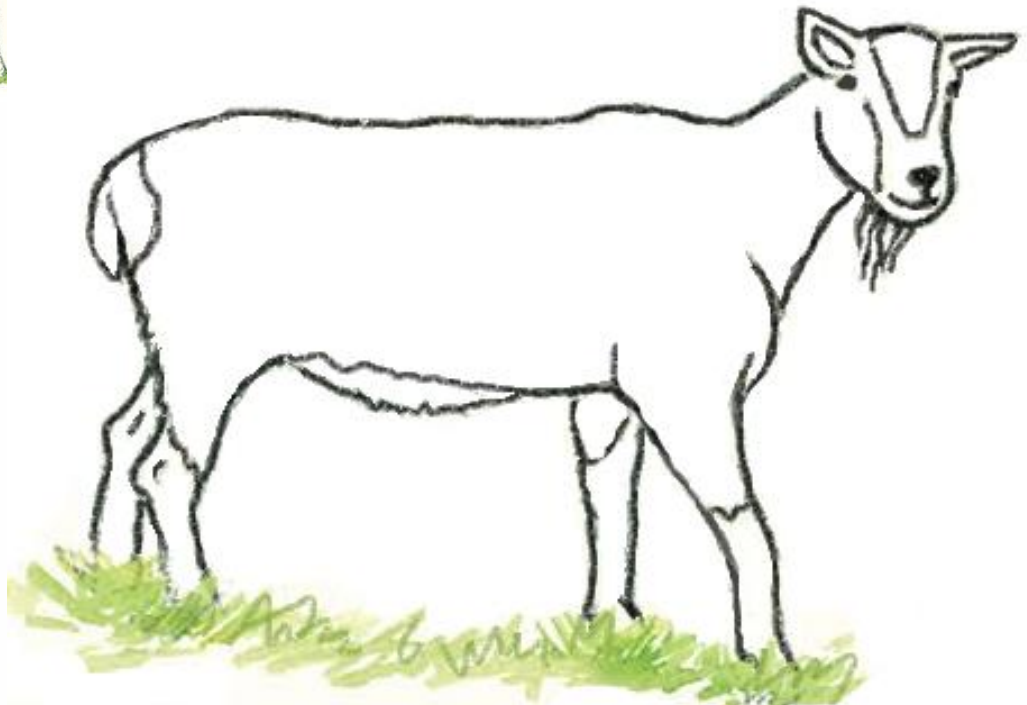

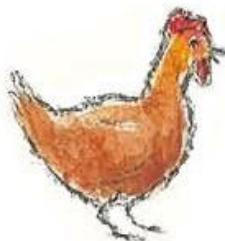

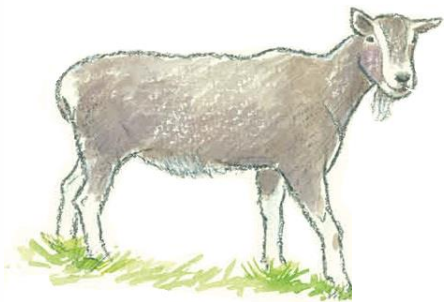

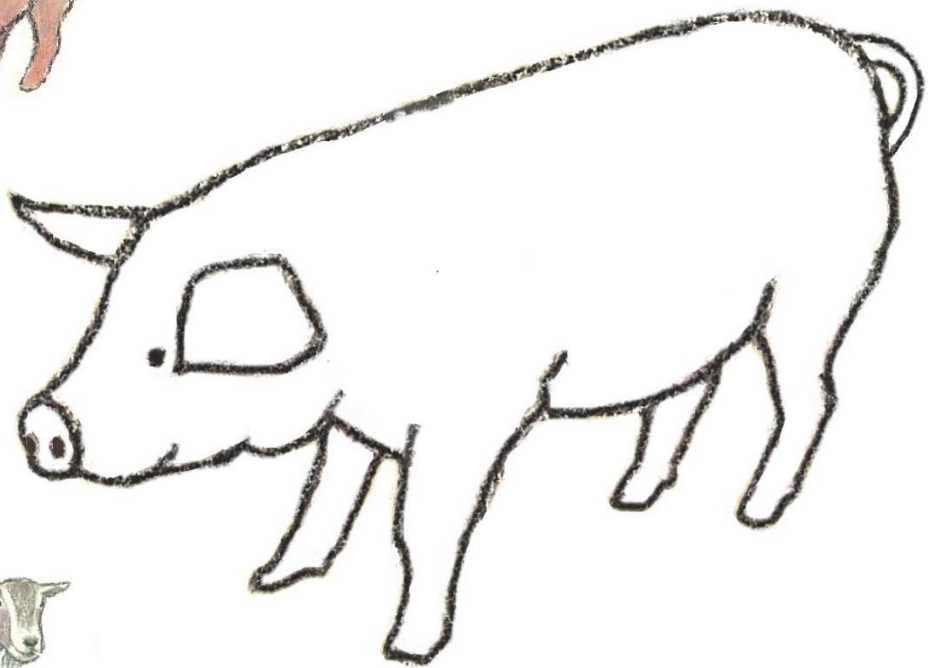

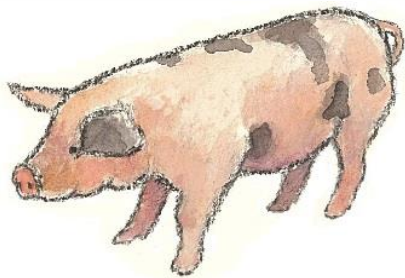

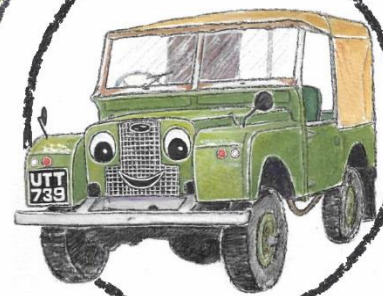

This is Jack's bedroom.

Can you draw a bedroom
you'd like to have? Think
of what type of bed, what
colour curtains and so on.
